Innovation Gateway @ PETRONAS

Information Checklist for Technology Submission to iG@P Technology Marketplace

No	Information Checklist
1	Identify technology maturity based on the following level: i) Research & Development (TRL0-TRL4) ii) Production > Pilot (TRL5) iii) Commercialise (TRL6-TRL7)
2	General information: i) Technology Title ii) Technology Code iii) Select relevant Category and Sub-category iv) Technology Ownership v) This technology product is a solution for… vi) Applicability a. Upstream b. Downstream c. New Energy d. Gas vii) Attach Technology Images viii) Attach Technology Video
3	Technical information: i) Executive summary a. Technology Description b. Target Application c. Problem/issues That It Solved d. The Solution (how the technology works) e. Background of the Technology f. Key Achievement(s) To-Date g. Value Creation of Technology • Cost Savings • Cost Avoidance • Resource Addition • New Revenue • Sustainable Element h. Please include Value Creation Writeup/Explanation i. Attach Supporting File for Value Creation ii) Technology Specification a. Installation b. Performance c. Track Record (please provide list of deployment outside PETRONAS)
4	Supporting Information i) Has the technology been published in any recognised Conference? If yes, please attach copy of paper. ii) Has the technology received any certification from recognised bodies? If yes, please attach copy of certificate iii) Technology brochure/proposal/ technical specification etc. iv) Attach Technology Video

5	Intellectual Property (IP) Information
	    i) Does the technology describe holds any IP? If yes, please provide:
	        a. Type of IP
	        b. The Title of IP
	        c. Owner of the IP
	        d. IP Filing No.
	        e. Date of Filing
	        f. Attach IP document related to the technology

6	Technology Deployment Information
	    i) Past PETRONAS Deployment
	        a. Is the technology product registered with PETRONAS? If yes, please provide:
	          • License/ Registration No/ SWEC Code
	          • Date of Registration
	          • Duration/Validation Period
	        b. Has the technology been deployed in PETRONAS? If yes, please add Deployment Details
	          • Deployment Type – Directly (Contract with PETRONAS Company) Or Indirectly (Subcontractor)
	          • Contract Owner in PETRONAS
	          • Year of Deployment
	          • Contract Title
	          • Contract Number
	          • Location of Deployment
	          • Please share the Close Out Report of deployment in PETRONAS
